A company that designs and manufactures high-end furniture for the residential and contract sectors, founded in 1983 by **Mr. Mohamed Arfaoui.**

Empresa de creación y fabricación de muebles de alta gama para los sectores residencial y contract, fundada en 1983 por el **Sr. Mohamed Arfaoui**

À PROPOS DE NOUS

AJ Furniture & Design est une nouvelle société basée en Europe pour présenter un savoir-faire familial du travail du bois et de l'agencement sur mesure. Elle est la représentation à dimension Européenne de l'usine *Sofasam* qui se distingue en tant que spécialiste du mobilier Contract depuis 1983, harmonisant qualité et finition dans la création de meubles CHR chaises, fauteuils, banquettes, canapés, tables et tabourets. Ainsi proposer d'accompagner nos clients dans leur projet sur mesure est notre métier depuis 3 générations, nous sommes connus sur le continent Africain avec lequel nous signons des projets prestigieux et notre volonté aujourd'hui est de présenter nos services et nos compétences avec toutes les garanties normes et sécurités que nécessite le marché Européen.

Notre compétence réside dans l'accompagnement d'un projet spécifique ou sur mesure auprès des maîtres d'œuvre et d'ouvrage. Notre cabinet d'études et notre expérience sont aux services des constructeurs, promoteurs, chefs de projets, architectes décorateurs et prescripteurs. Nos meubles en bois massif répondent aux attentes les plus exigeantes avec des prix attractifs, en petites et grandes quantité. L'expérience internationale de l'entreprise s'étend à des projets en France, Luxembourg, Belgique et en Côte d'Ivoire, illustrant notre capacité à nous adapter aux marchés les plus divers, à des prix très compétitifs.

ABOUT US

AJ Furniture & Design is a new company based in Europe, which highlights the family's experience in woodworking and made-to-measure furniture. It is the European representation of the *Sofasam* factory, which since 1983 has distinguished itself as a specialist in Contract furniture, harmonising quality and finish in the creation of Hospitality furniture: chairs, armchairs, benches, sofas, tables and stools. We have been helping our customers for 3 generations in their customised projects. We are well known on the African continent, where we have signed prestigious projects, and our aim today is to offer our services and skills with all the guarantees, standards and safety required by the European market.

Our expertise lies in assisting owners and contractors for specific or customised projects. Our design office and our expertise are at the service of builders, developers, site managers, interior designers and specifiers. Our solid wood furniture meets the most demanding requirements at attractive prices, in small and large quantities. The company's international experience extends to projects in France, Luxembourg, Belgium and Côte d'Ivoire, illustrating our ability to adapt to the most diverse markets at very competitive prices.

SOBRE NOSOTROS

AJ Furniture & Design es una nueva empresa con sede en Europa, que pone de manifiesto la experiencia familiar en el trabajo de la madera y el mobiliario a medida. Es la representación a escala europea de la fábrica *Sofasam*, que desde 1983 se distingue como especialista en mobiliario Contract, armonizando calidad y acabado en la creación de muebles de Hospitalidad: sillas, sillones, bancos, sofás, mesas y taburetes. Llevamos 3 generaciones ayudando a nuestros clientes en sus proyectos a medida. Somos conocidos en el continente africano, donde hemos firmado prestigiosos proyectos, y nuestro objetivo hoy es ofrecer nuestros servicios y competencias con todas las garantías, normas y seguridad que exige el mercado europeo.

Nuestra experiencia consiste en ayudar a los propietarios y contratistas de proyectos específicos o personalizados. Nuestra oficina de proyectos y nuestra experiencia están al servicio de constructores, promotores, jefes de obra, interioristas y prescriptores. Nuestro mobiliario de madera maciza responde a los requisitos más exigentes a precios atractivos, en pequeñas y grandes cantidades. La experiencia internacional de la empresa se extiende a proyectos en Francia, Luxemburgo, Bélgica y Costa de Marfil, lo que ilustra nuestra capacidad para adaptarnos a los mercados más diversos a precios muy competitivos.
